tiny Terri Lee

THIS IS THE STORY OF TINY TERRI LEE

Terri Lee, as you know, is a real little girl, just like you. However, like all little girls, Terri Lee wished to be something else. So, Terri Lee wished to become a very tiny little girl. Princess Tinkle had given her a magic wishing stone, so Terri Lee rubs the wishing stone and Princess Tinkle appears and makes her into a tiny little doll.

Tiny Terri Lee can walk, she has closing eyes, she has hair that you may shampoo and it still will have a permanent like yours when you have a permanent.

Tiny Terri Lee has many beautiful costumes. Soon she will have exactly the same number and kind of costumes as Terri Lee.

Tiny Terry Lee is 10 inches tall.
