PRESENTING

THIS IS THE STORY OF TINY TERRI LEE

Terri Lee, as you know, is a real little girl, just like you. However, like all little girls, Terri Lee wished to be something else. So, Terri Lee wished to become a very tiny little girl. Princess Tinkle had given her a magic wishing stone, so Terri Lee rubs the wishing stone and Princess Tinkle appears and makes her into a tiny little doll.

Tiny Terri Lee can walk, she has closing eyes, she has hair that you may shampoo and it still will have a permanent like yours when you have a permanent.

Tiny Terri Lee has many beautiful costumes, exactly the same number and kind of costumes as Terri Lee.

Tiny Jerri is Tiny Terri's brother.

Tiny Terri Lee is 10 inches tall.
